

STUDENTS, DO YOU WANT TO ENSURE SUCCESS IN THIS COURSE?

The **Student Study Guide** directly correlates with the text, and each chapter includes objectives, study questions, and a chapter test. Answers to the study questions and the chapter tests are provided to give you immediate feedback. If your bookstore does not stock the Student Study Guide, ask them to order ISBN 0-07-234733-3 for you.

Human Biology Online Learning Center
