

TEXT-SPECIFIC WEBSITE

www.mhhe.com/tamarin7

Inside this text is a free passcode card to success on Tamarin's text-specific website.

Here you will find:

- BioCourse.com, a learning site where the latest daily news from the field of genetics is brought to your desktop by an electronic news-clipping service.
- Quizzes, organized by chapter, to help you prepare for and succeed on tests.
- Links to fascinating data-gathering and tutorial sites, classical papers, and recent reports.

STUDENT STUDY GUIDE

Prepared by Deborah C. Clark and Rebecca L. Seipelt, *Middle Tennessee State University*

ISBN: 0-07-233420-7

An excellent aid for "making the grade," this Student Study Guide gives you a concise review of each chapter's key genetic concepts. It includes an extensive and insightful set of problem-solving hints, numerous practice problems and solutions, and the answers to even-numbered exercises, problems, and critical thinking questions from Tamarin's text.
