

Dr. S.P. Gautam, M.Sc., Ph.D., B.O.A.C. (USA) Professor, Dept. of Biological Sciences, Dean, faculty of Life Science, Vice-Chancellor, R.D. University Jabalpur has a teaching and research experience of more than 30 years. More than 25 students has been awarded Ph.D. under his guidance and published nearly 52 research papers in journals of national and international repute. He has participated in many training programs held in USA and Italy. He has already completed 12 research projects sponsored by DBT, CSIR, UGC and MPCOST on various aspects of yeast and Mycorrhizal Biotechnology. He is life member of many academic societies viz., IPS, IBS, SBAM etc. and has been awarded many prestigious awards and scholarships viz. Biotechnology Overseas Associateship, National Scientist Poolship etc. He is Vice President of Society of Basic and Applied Mycology. He was Councillor of Indian Biotechnical Society and represented editorial board of the society for several years.

Anjana Sharma, M.Sc. Ph.D., Reader, Department of Biological Science, R.D. University, Jabalpur has 21 and 25 years of teaching and research experience respectively. She has published 46 research papers in national and international peer reviewed journals and has guided seven students for Ph.D. degree. She and completed eight research projects funded by UGC, CSIR, DOEn and MPCOST. At present she has three research projects. She had been to US as visiting scientist at COMB, Baltimore University of Maryland on a UNESCO fellowship. She is a life member of various societies and Associate editor of Journal of Basic and Applied Mycology. She specified herself in various aspects of Bacteriology.

Dr. Sardul Singh Sandhu, (B. 1962) received his education at Rani Durgawati University, Jabalpur (B.Sc., M.Sc., M.Phil. and Ph.D.) and PDF from Monash University, Australia and I.A.C. Brazil, excelling in all the courses of study. As a result at his post doctored fellowships in different countries he obtained his D.Sc. in 1999 from R.D. University Jabalpur. His research interests range from Entomogenous fungi to Molecular Biology and Biotechnology of fungi and higher plants. His contributions on fungal Biotechnology are well recognized and widely cited. He joined R.D. University as Lecturer in 1989 and has been actively involved in teaching and research since then. Dr. Sandhu received various awards and honours from various national and international Academies, Societies and Bodies.

Dr. A.K. Pandey, M.Sc. Ph.D., D.Sc. reader Department of Biological Science, R.D. University, Jabalpur, has more than 18 years teaching and research experience in various fields of Mycology. Twenty students have been awarded Ph.D. degree under him and published 105 research papers in national and international journals. He had completed 8 research projects and presently have six projects sponsored from DBT, UGC, ICFRI, MPCOST, CSIR, DOEn related to mushrooms fungal taxonomy and weed management. He is a General Secretary of Society for Basic and Applied Mycology (SBAM). He was Councilor Botany Section, ISCA and IBS. He is a life member of IPS, IBS, SBAM Indian Society for Weed Science, Society of Mycology and Plant Pathology, Mycological Society of India, Mendalian Society etc.
