

Imagine life itself as a community of cool characters who keep our bodies and the planet buzzing with life. This book throws open the doors and welcomes you into their amazing world.

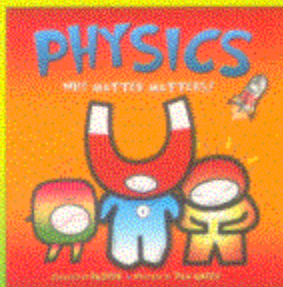

Praise for **THE PERIODIC TABLE**:

"a creative bombshell... will transform the way you think." Times Educational Supplement

"I love science... It's great to see a book making it accessible... Science should be fun."
Damien Hirst

"An engrossing read" New Scientist

"...the look is punchy, immediate and effective. The content is equally gripping" The Guardian

Praise for **PHYSICS**:

"Quirky, fact-filled and fun, it's got great visual appeal... I defy anyone not to pick it up."
Sue Steel, Simply Books, in The Bookseller

"a little gem of a book that gives the low-down on this important subject" Sunday Express

UK £6.99
