

ANNUAL EDITIONS

Physical Anthropology 04/05 is one in a series of more than seventy-five volumes, each designed to provide convenient, inexpensive access to a wide range of current, carefully selected articles from some of the most respected magazines, newspapers, and journals published today. Within the pages of this volume are interesting, well-illustrated articles by anthropologists, educators, researchers, and writers providing effective and useful perspectives on today's important topics in the study of physical anthropology.
