Student Study Guide/Solutions Manual

ISBN: 978-0-07-299283-0 MHID: 0-07-299283-2

Written to support the concepts presented in *Genetics: Analysis & Principles*, Third Edition, this manual includes solutions to the end-of-chapter problems and questions. Solutions are presented in a step-by-step method to help develop your problem-

solving skills. The Study Guide follows the order of sections and subsections in the textbook and summarizes the main points in the text, figures, and tables. It also contains concept-building exercises, self-help quizzes, and practice exams.
