

Tools to Help You Master Genetics

Study Guide/Solutions Manual

By Debra Nero, Cornell University

ISBN 978-0-07-299587-9

MHID 0-07-299587-4

Written to support the concepts presented in *Genetics: From Genes to Genomes*, Third Edition, this manual includes solutions to the end-of-chapter problems. Solutions are given with step-by-step logic to help strengthen your problem-solving skills.

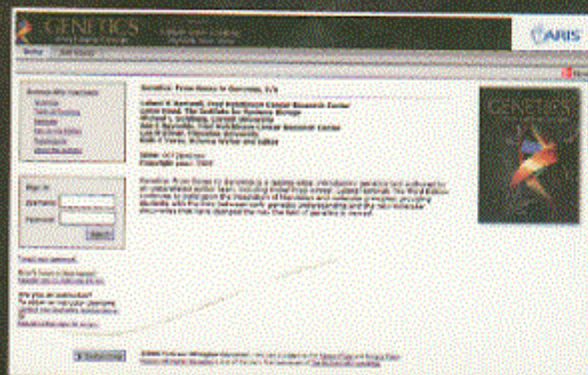

McGraw-Hill's ARIS

(Assessment Review and Instruction System)

Makes homework meaningful—and manageable—for instructors and students.

Explore this dynamic site for a variety of study tools.

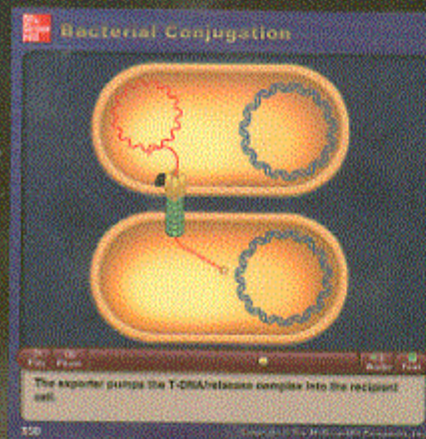

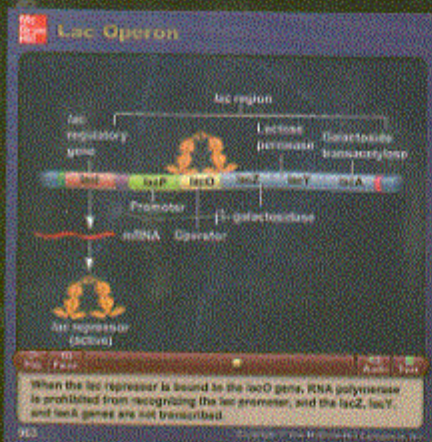

- Self-quizzes
- Flash cards
- Animations with quizzing
- Interactive Web Exercises
