

Praise for Thomas Marent's *Rainforest*
"Thomas Marent's photographs confront you with the
jaw-dropping beauty of jungles all over the planet"
—O, *The Oprah Magazine*

With stunning images by Thomas Marent, photographer
and author of **Butterfly** and the award-winning **Rainforest**,
Frog celebrates the colorful diversity, distinctive behavior,
and unique life cycle of amphibians.

Over 400 images explore the enigmatic world of frogs and their relatives,
creating a visual testament to a fascinating group of species that are
vanishing from our planet at an alarming rate. From common toads to tiny
tropical tree frogs, and giant salamanders to crested newts, **Frog** reveals
every aspect of the amphibian world in vivid detail.
